

<b>Condition and Valuation Survey .....</b>	<b>2</b>
ATTENDING SURVEY .....	2
Representing Buyers Interests:.....	2
PARTICULARS (ownership, documentation and identification) .....	2
SCOPE OF SURVEY.....	2
Circumstances of Survey: .....	2
Standards: .....	3
DESCRIPTION.....	4
Design Characteristics.....	4
Construction.....	4
Rig and Sailing Equipment .....	5
Spars:.....	5
Standing Rigging:.....	5
Running Rigging:.....	6
Winches:.....	7
Sails:.....	7
Propulsion System .....	8
Electrical Systems:.....	9
Ship's Service Generator(S): .....	9
AC Systems .....	9
DC Systems.....	10
Steering System .....	10
Deck Fittings and Equipment.....	10
Anchoring Gear and Ground Tackle.....	11
Auxiliary Equipment .....	11
LP Gas System:.....	11
Dewatering Systems:.....	12
Washdown Systems:.....	12
Potable Water System:.....	12
Marine Sewage Disposal System:.....	12
Pollution Control:.....	13
Navigation Aids: .....	13
Communication:.....	13
Accessories: .....	13
Safety Equipment .....	14
Required Lights and Signal Apparatus:.....	14
Life Saving Gear:.....	14
Fire Fighting Apparatus.....	15
Accommodations: .....	15
Tender.....	16
GENERAL CONDITIONS .....	16
NOTES .....	17
SEA TRIAL .....	17
RECOMMENDATIONS AND APPRAISAL.....	18
Recommended .....	18
Navigation Limits .....	18
VALUATIONS.....	20
Estimated New Replacement Cost .....	20
Estimated Current Market Value .....	20
CONCLUSION .....	20
Attachment 1. Photo of Hull Identification Number	
Attachment 2. Diagram of Thru-hull Locations	
Attachment 3. Photographs
